

# Sowing Dreams Reaping Hopes

Exciting Progress at Sonalika Gurukul, Tigri, Delhi!  
Our Baseline Assessment is underway with Khushii NGO.  
Over 100 Households were Surveyed for enrollment.

## Empowering Farmers With Agro Solutions App Enhancements!

- Implemented a personalized username and password setup, with initial password delivery via SMS for enhanced security.
- Added a 'Forgot Password' feature for hassle-free password retrieval.
- Users can now place orders directly within the app, eliminating the need for OTP during order generation.
- Updated accuracy in the 'About' section pamphlet and provided detailed information on company tractor models for 2023-2024.
- Enhanced the app interface for a smoother and more enjoyable user experience.
- Introduced a tractor demonstration booking feature and included details of ITL Group dealers within the app for convenient access.
- Included market price information on the main page to keep users informed.
- Enabled automatic location-based access to weather information.
- Field Officers now have access to the admin portal for seamless data download.
- Configured TMS service for users to send SMS messages directly from the app.
