

BUILDING

Brighter Futures!

Our Sonalika Gurukul Centers nationwide lit up with joy during our Diwali celebrations. The spirit of the festival resonated with warmth and festivity.

Empowering our beneficiaries, we organized Diwali Mela across offices in Delhi NCR, providing a stage for our NGO women to showcase their remarkable products.

In the spirit of fostering community engagement, Sonalika CSR hosted a festive celebration, uniting employees and beneficiaries of Sonalika Gurukul centres with joyful activities and competitions.

We invited children from Sonalika Gurukul in Seemant Vihar Slum, Arjun Camp, and Taimoor Nagar to celebrate Diwali and make it an enriching experience at our office. The day was brimming with joy, and laughter, creating cherished memories together.

“

I couldn't attend school but ever since I joined Sonalika Gurukul, not only have I managed to secure school admission, but I have also significantly improved my knowledge. I am currently enrolled in a school in Ghazipur, in 4th grade. Now, as I attend school regularly, I find great joy in the learning process. I would like to express my heartfelt gratitude to Sonalika for their support and assistance in making this possible.
