Children from Sonalika Gurukul Centres celebrated **Janmashtami** with great enthusiasm and devotion.

We believe that the methods of making learning materials available should continually evolve, and that's why we have further improved our 'Gurukul on Wheels', making it more accessible for children living in remote areas.

*Nurturing young talents and encouraging critical thinking among students by organizing Debate Competitions.*

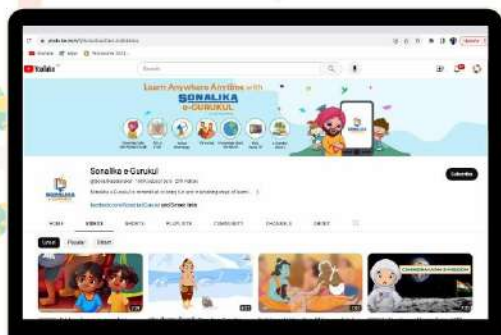

*We established Sonalika Reading Corner with a diverse collection of books at the Adarsh Balika NGO in Sangam Vihar, igniting a passion for reading and fostering a love for learning among young ones.*

In Madhya Pradesh, we prevented water wastage, provided clean water to villagers, and ensured access by renovating hand pump structures, improving drainage, and safeguarding groundwater from contamination.

With unwavering determination, we extend our efforts to reach tribal children in Jharkhand, ensuring their access to education. We follow a comprehensive learning approach, with a focus on mathematics, Hindi, and English.

We feel humble to contribute to the enhancement of children's knowledge and provide them with quality educational content infused with a touch of fun. Our Sonalika e-Gurukul family is growing and has now reached more than 150,000 members.

“

Over the past decade, I have been involved in renting out various agricultural equipment such as rotavators, seed drills, MB ploughs, disc ploughs, and more. I am a registered equipment provider on the Sonalika agro solutions app. Before registering on this platform, my equipment rental services were limited to a specific area. But after becoming a part of the app, my reach has expanded to more villages. I would like to extend my heartfelt gratitude to the Sonalika family for their contribution to this positive change in my agricultural equipment rental business.

”

Madhya Pradesh

Sanjeevni Sharnam celebrated Shree Krishna Janmashtami where Sharnamites sang melodious bhajans and did dance performances that brought to life the tales of Krishna Leelas.

Sanjeevni Healing Centre has initiated a special weekly event where our dedicated Sanjeevni healers conduct distance healing sessions to enhance the well-being of participants.

On the occasion of Teacher's Day, a guided meditation session was conducted by Mrs. Sangeeta Mittal Ji, organised at Sanjeevni Healing Centre.

With the unwavering support of Mrs. Sangeeta Mittal Ji and Mr. Amrit Sagar Mittal Ji, the Vice-Chairman of the Sonalika Group, RRM Holistic Clinic celebrated its one-year anniversary. RRM has tirelessly worked towards creating a positive impact on the health of many individuals.
