## Educational Adventure to Bhangarh

On July 13, 2024, 30 children and 5 teachers from Sonalika Gurukul Centers in Laxmangarh enjoyed an educational trip. They explored Bhangarh Fort, visited Narayani Mata Temple, and trekked through Sariska's forests to Jahaz Ka Balaji. These trips are an essential part of education, offering valuable learning experiences.

## Expanding Vision: Eye Camp Success

Building on the success of our Rajasthan eye camps, we expanded our initiative to Sehore district, MP. Our team conducted eye screenings for 140 people and distributed over 45 pairs of spectacles. The positive community response highlights our commitment to improving health and quality of life.

## Training of Trainers for Early Learners Books

We recently held a Training of Trainers session for facilitators from all Sonalika Gurukul Centers in Delhi NCR, focusing on our Early Learners Books. This training equips our educators with the skills and knowledge to enhance early childhood education.

## Welcoming Young Talent

Three talented interns from the Delhi School of Social Work joined Sonalika CSR for a month-long internship. During their time with us, they collaborated with various implementing partners of our NGO, actively contributing to community organization efforts.
